

IACSP All-Day Online Learning Experience for Casino Surveillance & Security Professionals

Sponsored by Axis Communications — the industry leader in video surveillance.

And Dallmeier — an expert in video technology since 1984.

 Date: Thursday, November 13, 2025

 Time: 9:00 AM – 5:15 PM (Pacific Time)

 Location: Online (Hosted by IACSP)

Join the International Association of Certified Surveillance Professionals (IACSP) for a full day of advanced training and professional development tailored for casino surveillance and security professionals. This virtual learning experience showcases IACSP's newest content and most popular webinars, designed to elevate your expertise and support members preparing for IACSP certification.

Why Attend

- Gain insider insights from leading experts in surveillance, compliance, and investigations.
- Stay current on emerging trends and best practices across casino operations.
- Connect with peers and engage in open discussion during the interactive roundtable.
- Earn professional development credit toward IACSP certification.
